

MEET THE TRUSTEE CANDIDATES

To serve a 3-year term
(July 2025 - June 2028)

Leslie Moma, a Landscape Architect for the NYS Dept. of Transportation, is active in the Batavia community, serving as a member of the Library's Board of Trustees and the Board of Directors for GOART! Running for her second term, Leslie is committed to the mission of the library in its role as an integral community asset for Batavia and the larger community.

Rebecca Oshlag is a retired special education teacher, a professional storyteller, and an avid reader. Her love of books began in elementary school and stays strong. While raising her family, regular trips to the library and participating in library programs were a part of their normal routine. Rebecca is currently a member of the Board and will continue to work hard to advance the goals of the library and the Board to ensure continued success. Rebecca feels honored to have worked with a group of individuals who spend considerable time and effort to ensure the continued success of a community institution that provides services beyond lending books.

Marcia Bohn is proud to call Batavia home. Her connection to the library, which started at an early age, has helped shape her to be the person she is today. Her relationship with the library has grown into a teaching role that she finds incredibly fulfilling. She has volunteered in many parts of our community and believes that being actively involved helps strengthen the community we all share. She is excited to take the next step in her service journey and is seeking to become a member of the Board of Trustees to help ensure it continues to thrive and remain accessible, inclusive, and inspiring for every member of our community.
