Good Rules To Keep In Mind

Proper telephone usage is a business and social asset. Here are simple rules that will develop pleasing and efficient telephone habits:

1. Be sure of the number before placing your call.
2. Give the other person time to answer.
3. Answer all calls promptly.
4. Don’t shout. Don’t whisper. Speak in your normal voice, with your lips about 1/2 inch from the mouthpiece.
5. When you have finished speaking, say “Goodbye” pleasantly and replace the receiver gently.
6. Above all, be courteous in all your telephone contacts. Remember—“the voice with a smile wins”.
